There were no proper structures
put in place for the 1916 Rising. My
family bought "Vaughan's Hotel", 29
Parnell Square, and Granby Row Dublin

in 1917 on behalf of The Irish Republican Brotherhood and Óglaigh Na h Éireann and moved the head Quarters of The Irish Republican Brotherhood from London to "Vaughan Hotel" Dublin and My family set up all the institutions of the State, that have the Sovereign Seal, (Psaltery 12 strings A.D. The 32 County election from "Vaughan's Hotel G.H.Q. in 1918, established the Sovereignty of the 32 Counties and the Democratically Elected T.D.'s to Dáil Éireann on the 21st-1-1919. in the Mansion House Dublin, in the Cabinet Room at 12 Noon, the Private Session. (4 Courts) became Sovereign. We placed The Trinity, on behalf of The Irish Republican Brotherhood in the Cabinet Room in the Mansion House Dublin. The Sovereign Seal, (Psaltery) 12 strings A.D. 1919. The Ogam Stick/Pole with The Tricolour and the Harp of the Psaltery 12 strings B.C.

The President of The Irish Republican Brotherhood is also the President of The Sovereign Republic of Eike. Harry Boland went to the U.S.A. in 1919 as President and President of The Sovereign Republic of Eike. Mr De Valera went to the U.S.A with Harry Boland when Michael Collins was President and was shot in 1922. The Presidency came back to G.H.Q. Vaughan's Hotel, to my grand uncle Tom McGuire, who co-ordinated the setting up of The Sovereign Republic of Eike, Dail Eikesown, Dail Eikesown Courts (4 Courts) and the War of Independence and when he died in 1925. The Presidency

passed to my Grand Father William
McGuire and passed to my Grand
Uncle James McGuire and passed
to my Father Martin McGuire and
passed to me in 1964 when my
Father Martin died. That is the
Mandate that I hold to claim
The Sovereignty over all the Territory,
Rivers and Lakes, Seas, Fishing, Fish
Rights, Mineral Rights, Licenses and
all the assets of the State, on Behalf
of the Sovereign citizens. The Sovereign
Republic of Eire and the Irish Republic
Brotherhood. on the 21st each and
every year under The Sovereign Seal
of The Sovereign Republic of Eire.
It is Mandatory for the Government,
The Ceann Comhairle. The Taoiseach and
The Chief Justice to attend at 12 noon in
the Cabinet Room, to witness the claiming
of The Sovereignty over all the Territory,
Seas etc from Europe to America.
They have not done so since 1922.
The 21st of January is our Independence day

VI

They do not Recognise, acknowledge
or Respect our Independence day
or Sovereignty

President Mary McAleese
is a very fine person and has to be
commended with her husband for
all the work that they do for the Peace
and Reconciliation process in Northern
Ireland, but President McAleese cannot
claim Sovereignty as she is President
of the 26 Counties and is excluded.

It is the absolute Right of the
Sovereign Citizens of the Sovereign Republic
of Eire to be governed by a Sovereign
Government as defined in the 1946
Proclamation and my absolute Right
as a Sovereign Citizen, to the same
Right and have the Four Courts properly
Constituted. The Four Courts are not
properly Constituted at present? Nor
have they being since 1922? When
the Sovereign Seal of the Four Courts
was changed to thirteen strings [Broken
Laws]. "The Law of the Land."

VII

We had to be sovereign to take The Sovereignty away from The Crown of England, who claimed "supremacy" only the first and second Dáil Éireann of 1919-1921 were and are sovereign. Only the sovereign Government of Eike has the Right to use the sovereign seal of Dáil Éireann, the Psalter of 12 strings. A.D. 2009. It is only under this sovereign seal that the sovereign Government may, issue licenses, collect taxes, make appointments, and appoint a judiciary.

The E.U. should be paying area aid for all our Territory, Seas etc. to the Irish Republican Brotherhood and the sovereign Government, which would take us out of the financial difficulties which we find ourselves at present.

The Sovereign Citizens of The sovereign Republic of Eike, No Vote on the Lisbon Treaty, in 2008. Voted down the "Supremacy of the European Union's

Constitution". ^{VIII} That is a sovereign
Vote of the sovereign Citizens and
cannot be changed by the Government,
The European Union or anybody else.
When 27 countries sit down
at the European table it is Mandatory
for the sovereign Republic of Eire to
have a sovereign Government, which
is not the case at present?

Mc Guire street and Wharf can
still be seen near old London Bridge site
Southwark. Financing The sovereign Republic
of Eire. Dail Eireann, The Dail Eireann Courts
and the War of Independence was a huge sacrifice
for my family. That money was for a Bank in London
to open a Bank for our International Businesses.

Yours Sincerely
Billy Mc Guire.
