Irish Republican Brotherhood

You have been indicted for Treason by the Irish Republican Brotherhood (IRB) under their 1916 Proclamation, the foundation document of the State, the Sovereign Republic of éire, and the democratic wishes of the sovereign Irish citizens who gave the Irish Republican Brotherhood the Mandate in the 1918, 32-county democratic all-Ireland election called by the British government on 14th of December 1918.

IRB Political Wing Sinn Fein won 73 seats out of 105 seats on 28th December 1918 and was ratified in the Mansion House, Dublin, and GHQ Vaughan's Hotel, Dublin by the Sovereign Dáil éireann government, the Sovereign Republic of éire, all 32 counties, territories and seas, on the 21st of January 1919, our Independence Day.

On the 17th of March 2021, the Irish Republican Brotherhood were commemorating their 163rd anniversary at 16 Lombard Street, Dublin. Our volunteer had just read our 1916 Proclamation when he was pepper sprayed and assaulted by An Garda Síochána after reading our 1916 Proclamation, and taken to Pearse Street Garda Station and charged in Court by a free-state Judge. The IRB were complying with Covid-19 Regulations and An Garda Síochána at Pearse Street Garda station were well aware that the IRB were commemorating their 163rd anniversary of the founding by James Stevens of the IRB at 16 Lombard Street, Dublin as they do every year since 1858 on St Patrick's Day.

The Irish Republican Brotherhood's 1916 Proclamation clearly states "Irish men and Irish women, in the name of God"... "The Irish Republic is entitled to and hereby claims the allegiance of every Irish man and Irish woman"... "We place the cause of the Irish Republic under the protection of the most high God"... "and we pray that no-one who serves that cause will dishonour it by cowardice, inhumanity or rapine".

The Sovereign Constitution

"This Constitution shall be the Constitution of the Republic of Ireland proclaimed in arms on Easter Monday, April the 24th, 1916, and established by the will and wishes of all the people of Ireland on January the 21st 1919", our Independence Day. "All authority in Ireland Legislative, Executive and Judicial, and all powers of government are derived solely under God from the people of Ireland. These powers are inherent in the people alone, by virtue of their Sovereignty. They must be exercised in accordance with the principles of liberty, equality and justice for all. Any legislation not in accordance with these principles is hereby declared to be null and void."

The conflict with the British for the last hundred years is the Crown of England and the British government refuse to recognize, respect and honour the legitimacy of the 1918, 32-county all-Ireland democratic election called by the British government on the 14th of December 1918. King George V and his British government declared the Sovereign Dáil éireann to be an illegal assembly and sent in his Cairo gang to Dublin to execute and annihilate the Sovereign Dáil éireann government, democratically elected by the will and wishes of all the people – citizens of éire, all 32 counties, and all members of the IRB and on Bloody Sunday, the British Crown forces opened

fire on our Sovereign people – citizens at Croke Park, Dublin and killed 14 innocent people - "Vaughan's Hotel papers" (Source: Sam Maguire Intelligence Reports).

Your contempt, hostility and dirty tricks that you have played on me as the anointed President of the Irish Republican Brotherhood (IRB) is unjust and unfair to me, as I carry out the Mandate by the will and wishes of all the Sovereign Irish people that gave the IRB Political Wing Sinn Fein in the 1918, 32-county all-Ireland election of the 14th of December 1918, and won 73 seats out of 105 seats on 28th of December 1918, and ratified by the Sovereign Dáil éireann government on the 21st of January 1919, our Independence Day, in the Mansion House, Dublin and GHQ Vaughan's Hotel, Dublin, and established by the Sovereign Republic of éire and the Irish free-state Provisional government cannot use the Irish Republic Brotherhood Sovereign Seal of Dáil éireann 12 strings AD Psalter (or) any of IRB's Sovereign Seal or Harp BC, or our Sovereign tri-colour flag of Green, White and Orange, or the IRB's 1916 Proclamation, or the 1919 Sovereign Constitution, or Declaration of Independence, or address to the free nations of the world under pain of death, and all appointments and legislation and use of the Sovereign Seal of Dáil éireann are all now null and void.

The Irish Republican Brotherhood will lease their Sovereign Republic of éire to a Sovereign State that will comply with the 1918, 32-county all-Ireland democratic election, all our Sovereign 32 counties, all our Sovereign territory, the largest in the European Union, and all the Sovereign Seas from its border down the Irish Sea to its border with United States of America and Canada until the Peace, Reconciliation and Prosperity process that was founded in the 1950's by Pope Pius XII, Monsignor Hugh O'Flaherty (IRB) and the Ambassador P J Kiernan and his wife, Delia Murphy, and my late Father, Martin W McGuire and is restored there is no Peace, Reconciliation or Prosperity process in the Sovereign Republic of éire today.

The IRB want the conflict between the Sovereign Republic of éire and the British be restored once and for all.

The IRB who founded and funded the state, the Sovereign Republic of éire wants the British Government and the crown to recognize honour and respect the mandate that was given to us in the 1918 democratic 32 counties all Ireland election and set in place the peace reconciliation and prosperity agreement started by Pope Pius XII in the 1950s. The IRB do not want another 100 years of mayhem, brutality, savagery, propaganda lies and deception forced upon its people.
