Dear Mr. McGuire

On behalf of the Taoiseach, Micheál Martin, T.D., I would like to thank you for your recent letter and suggestion of historical items for presentation to President Biden as a gift from Ireland, when the Taoiseach visits for St. Patrick's Day this year.

As you may appreciate, these visits are planned in advance and gifts for 2022 had already been identified. However, we will keep your details in our records and should an opportunity arise whereby we can incorporate your suggestion, we will contact you.

Thank you for contacting us on this occasion.

Yours sincerely
