

ÉIRE

IRISH REPUBLICAN BROTHERHOOD

25th August 2014

Dear Gary Harte,

Please find enclosed correspondence to your former colleague Richard Hass regarding the foundation of the Irish State, Dáil Éireann and Dáil Éireann Courts that were ratified on the 21st January 1919 at the Mansion House in Dublin.

Only a Sovereign Government has the right to issue licenses collect taxes and appoint a Judiciary.

The present Government is only a Provisional Government under the Oireachtas, (it is NOT Dáil Éireann) which was imposed by King George V in 1922 and does not have the mandate to be involved in any Peace and Reconciliation process, only a Sovereign Government has that right.

Please make contact with William James McGuire regarding this matter on 069-63350 or 087-2159856. www.billymcguire.com
