IRISH REPUBLICAN BROTHERHOOD

Dear President Juncker.

"The Name of The State is The Sovereign Republic of Eire."

The Irish and Fenian Republican Brotherhood, are asking The European Parliament and The European Union, to Remove and Refrain from Illegally Using, The Irish and Fenian's Republican Brotherhood's Tricolour Flag and Their Sovereign Seal of Dáil Éireann. (Psalter. 12 strings A.D. 2016.) Without Their Permission.

I enclose a copy of The Irish and Fenian Republican Brotherhood's letter and documents, to President Martin Schulz. President of The European Parliament

With Regards to Brexit. The European Parliament and Union, will have to address The Sovereignty of Great Britain and The Sovereign Republic of Eire.

General De Gaulle would not allow Britain to join The European Common Market, because Britain does not have a Sovereign Government. Britain has a Royal Government, a Royal Court of Justice and a Crown Force

The British people and the British Government, got its sovereignty to join the European Common Market from our Sovereign Dáil Éireann of the 21st - 1 - 1919. That was elected "By the Will of all the People/Citizens of Éire" in the 1918. 32 County ^{Election} from C.H.G. Vaughan's Hotel Dublin and Ratified in the Mansion House Dublin on the 21st - 1 - 1919. as the Sovereign Dáil Éireann Government of the Sovereign Republic of Éire.

No other state was established or founded in Éire. All sovereignty comes from God.

That is how Great Britain got to join the European Common Market.

The British people are not sovereign citizens. British people are subjects to the Crown of England is Royalty and the Sovereign Harp BC is Sovereignty.

In 1155 Pope Adrian IV (The only English Pope). gave Hibernia (Éire) illegally and fraudulently to Henry II of England to found his Empire.
"The Bull Laudabiliter."

If Her Majesty Queen Elizabeth II of England, is The Sovereign of Great Britain, then only Her Majesty Queen Elizabeth II of England can decide whether Britain leaves or stays in The European Union

Since 1155. England's Sovereignty has been the cause of great conflict between The Sovereign Republic of Eire and England and now is the time for The European Parliament and the 27. members of The European Union to address this issue of Sovereignty.
