Subject: The Sovereign Territory of Éire

Dear Rishi Sunak,

I write to you in relation to Public Announcement dated 27th February from your Office where it was publicised that **“The Windsor Framework delivers free-flowing movement of goods between Northern Ireland and Great Britain and removes any sense of a border in the Irish Sea within the UK”** and I would ask that you kindly note the following points of position:

1. The President of the Irish Republican Brotherhood (the **“IRB”**) (the **“Organisation”**) is by fact and by right the Sovereign President of the Sovereign Republic of Éire.
2. The Supreme Council of the IRB is the Governing Body of the Organisation.
3. The Sovereign Republic of Éire is a Sovereign Independent State comprising the 32 Counties of the Island of Ireland and its Territorial Seas as clearly defined by border.
4. The Supreme Council of the IRB hold the Title 4 Flag for the Sovereign Territory of Éire in Trust for the People of Ireland.
5. Neither the President of the IRB nor the Supreme Council of the IRB have approved or consented to the proposition of the **“Windsor Framework”** and please note that any such proposition holds no power or affect, implied or otherwise, over the Sovereign Territory of Éire or the People of Ireland.

I trust you will note the position.

Yours Faithfully,

John D Flanagan

Chairman IRB Supreme Council
