"Ireland's Neutrality"

Dear Professor Richardson,

Your contempt for the Irish Republican Brotherhood and O'Loigh Na h Eireann is unjustified.

The Chronology of the Conflict between the Sovereign Republic of Eire and the Crown of England and the British government, should be discussed at the Forum on Ireland's Neutrality, Nato and O'Loigh Na h Eireann. "The Sovereign Chronology of the Conflict."

In 1912. the Ulster Volunteers were founded.

Lord Rothschild gave £100.000 pounds. Guinness gave £150.000 pounds. Rudyard Kipling gave £50.000 pounds to buy the "class guns" (first class German guns) to attack our sovereign people and state, with the support of the Crown of England and the British Government and the Ulster Volunteers became the U.V.F. army.
