Subject: Department of Defence & the 1924 Ministers and Secretaries Act

A Chara,

As you are aware, the 1924 Ministers and Secretaries Act currently stands disqualified on 45 Day Notice in the Rules of the UPU.

It follows that the Department of Defence holds no legislative powers currently and any direction by TÁNAISTE MICHEÁL MARTIN or any other CORPORATE GOVERNMENT DEPARTMENT to utilise the Department of Defence to deal with such matters as the United Nations "Triple Lock" Mechanism and/or the WHO "Pandemic Treaty" is baseless, powerless and holds no position for the Irish Republic and the Sovereign Nation State of Éire.

I trust you will note the position.

John D. Flanagan

Secretary for Defence for the Sovereign Nation State of Éire &
Commander-in-Chief, Óglaigh na hÉireann, C/O The Mermaid House, Liscannor
Clare, V95 DKF7, Éire
