

Irish Republican Brotherhood

In Acknowledgment of Declaration and Pledge

Of the 30th May 1845 & Resolution of the Liberator of the Repeal Association of 6th January 1846

"That, humbly submissive to the dispensations of an ever-adorable Providence, but confiding in his merciful protection, we solemnly pledge ourselves, in the name of the brave, moral, virtuous, and religious People of Ireland, and in the presence of the British Nation, and of all the People of Europe and America, that we will consent to no Surrender, no Compromise, no Postponement of our undoubted Rights; but that we will unremittingly persevere in all legal, constitutional, and, above all, all peaceable means, and no other, until we attain the RESTORATION of the Legislative Independence of IRELAND, and re-establish our Nationality, subject in dutiful and inevitable allegiance, to the Monarch of Great Britain and Ireland, but protected by a resident Irish Parliament"

And, now, We the Undersigned, on behalf of the Irish Republican Brotherhood and Óglaigh na hÉireann, the current Custodians and Protectors of the Sovereign Rights of the Sovereign Nation State of Éire for the People of Ireland, in consonance with the 1916 Proclamation, hereby adopt the Spirit of the Declaration and Pledge of 30th May 1845 with the text now so amended and composed henceforth as follows:

"That, in harmony with the dispensations of an ever present Providence, and as part of a Collective Consciousness, in the name of the brave, moral, and virtuous People of Ireland, in full allegiance to the 1916 Proclamation by the Provisional Government of the Irish Republic to the People of Ireland, the Sovereign Constitution, and in the presence of all of the Corporate Government Mechanisms throughout the World, we solemnly declare that we will not consent to, surrender to, or facilitate any postponement of our undoubted Rights, including but not limited to our Right to the establishment of a permanent National Government, representative of the whole People of Ireland, as provided for within the IRB Programme, the 1916 Proclamation and the Sovereign Constitution, subject to no Crown or Corporation, King or Kingdom or Pope or Papal Bull, as per that status of 21st January 1919"
